By completing this form I understand the following terms:

The total listed is the starting price. Once the Envie team receives my customized Seafood Envie Mega Fest request, I will receive a call and an invoice to pay in full within 3 business days to make sure my requested day and time are officially reserved.

If I cancel my experience within 7 days (business and non-business days included) from the reserved experience date, I will have one opportunity to reschedule. No refunds will be given under any circumstances.

If I cancel my experience within 14 days from the reserved experience date, I will be able to receive a 25% refund from my payment, and one opportunity to reschedule. This will leave my experience account with an outstanding balance prior to the rescheduled date.

Any outstanding balances must be paid in full at least 14 days before the rescheduled experience date to officially secure and reserve the new date.

Any cancellations that occur on behalf of the company or Envie team including, but not limited to, medical or unforeseen reasons will result in a full refund and opportunity to reschedule the experience.

I understand that these are the Acceptable Forms of Payment:

Cash App, Zelle, Square/Apple Pay, and PayPal

I understand that if any of these platforms charge my account or the Envie team's account to transfer the payment, I will incur all transfer charges, which are not to exceed a total of \$10.00.
